**Name of Student: Lee Chia Yun**

▪ **Section 1 –Taylor's College Lakeside Campus**

Since 1969, Taylor's College Lakeside Campus has established itself as the Best Pre-University in Malaysia, in academic excellence and track record for placing students into top universities of their choice.

The Cambridge A level (CAL) in this college is a one and a half- year course of study and is equivalent to Year 12 qualifications. The CAL examinations are conducted in 2 phases, Advanced Subsidiary (AS) level and Advanced 2 (A2) Level.

▪ **Section 2 - Any extenuating circumstances (i.e., disabilities, special needs, or chronic illness) which may have impacted applicant's education.**

No information to enter.

▪ **Section 3 – Area of study and personal attributes**

Lee Chia Yun enrolled in the Cambridge A level (CAL) programme in August 2023 undertaking the following subjects: Computer Science, Mathematics, Further Mathematics and Physics. Chia Yun intends to pursue a degree related to Artificial Intelligence.

Chia Yun's choice for the course is due to his observation that artificial intelligence is an emerging technology that is here to stay, moreover it is being implemented both in the work arena as well as in our personal lives. With the focus being convivence and efficiency AI is a given in all walks of life and as such Chia Yun feels that this would make for a challenging and evolving arena that he is keen to be a part of.

Chia Yun is a student who extends himself into a variety of areas, especially when it comes to his extra-curricular activities. His choices were including Career Club where he had a chance to improve his leadership skills. His appreciation of teamwork and life skills when he was with the Scout. Chia Yun was always willing to try something new; this is an insight into his adaptability and versatility.

Managing time to optimise opportunities to learn and grown in skills and knowledge shows Chia Yun is ready for challenges and is not complacent to be satisfied with status
